*"In a deep creative silence we meet God in a way that transcends all our powers of intellect and language... a silence where we have to listen, to concentrate, to attend, rather than to think."*

*"The peace, the stillness, the harmony that we experience in meditation becomes the basis for all our action"*

**THE AUSTRALIAN CHRISTIAN MEDITATION  
COMMUNITY**

# Supporting Our Growing Australian Community

Thank you to so many who have given generously to our National Appeals in the past it has allowed us to support our Australian Christian Meditation Community with resources, financial assistance and nurture spiritual growth.

During last year Fr Laurence visited us twice to speak at Meditatio Seminars, an outreach to the wider Australian community. In April it was "Meditation and the Environment" then in November "Meditation and Ageing". In April Fr Laurence also spoke to leaders in business at three sessions on "Enlightened Leadership".

Over the past few years we have been looking for ways to engage and encourage younger people to be involved in our community. We have started a Facebook page which is regularly updated by our Younger Christian Meditators (YCMers) and we have attended National Youth Conferences presenting an introduction to and experience of Christian meditation. The conferences are for those aged between 14 and 24 years. We have many contacts to follow up and plans to attend several more Christian Youth Conferences this year.

Also, we have financially supported national coordinators and community members to travel to smaller communities to attend and help facilitate local events and mentor leaders.

This gift of meditation we have received is priceless and it is our wish to share it. I would encourage you to prayerfully consider supporting our National Appeal.

With my love and thanks,  
Jan

Jan Wylie
