This 2 day workshop will introduce teachers to the practice of Christian meditation and will provide support to introduce it to students

The approach that is taught follows that introduced in all schools in the Catholic Diocese of Townsville by Bishop Michael Putney and the Townsville Catholic Education Office

The course pushed my boundaries. What I had imagined would deepen the prayer life of my own students challenged me with much more. I was invited to question my own prayer and to deepen my own spiritual life in unfamiliar ways.
CHRIS CLARK, AUCKLAND, NZ

The workshop was inspiring and so very helpful for myself. I felt really able to start teaching Christian Meditation to my students. A wonderful experience.
